

Claw Bathtub Feet

US-L1

Installation Instructions

Introduction

The claw feet have been fully inspected throughout the production process and only leaves our factory after a 15-step QC process.

Carefully remove the claw feet from the box and check that all parts have been supplied.

Before beginning installation, please check for any damage that may have occurred during transport.

Note: Damage claims cannot be made during or after installation.

Improper installation shall result in loss of warranty in case of damage caused by impacts or rubbing against rough surfaces.

IMPORTANT: Please read these instructions carefully before beginning and retain for future reference.

We do not accept responsibility for any problems that may occur through incorrect installation.

Installation notes

The installation must comply with all plumbing codes including local codes and be installed by a licensed plumbing contractor. Assemble the bathtub on a mat to protect against damage to the tub surface.

Note: Bathtub diagrams shown are for reference only.

WARNING! Please check for any hidden pipes and cables, electric or otherwise, before drilling holes in a wall or floor.
